

**COUNCILMEMBER BENJAMIN HUESO**  
*CITY OF SAN DIEGO – COUNCIL DISTRICT 8*  
Press Release

**COUNCILMEMBER BEN HUESO WILL BE AVAILABLE TO THE PUBLIC  
EVERY FRIDAY MORNING IN SAN YSIDRO**

*In an effort to create and maintain personal relationships with District 8 residents and listen to their concerns and visions for the community Councilmember Ben Hueso will hold office hours every Friday morning at the San Ysidro Community Service Center.*

Council District 8 is the only district divided by two cities (National City & Chula Vista). And so, Councilmember Hueso wants to “bridge the gap,” between City Hall and the southern portion of the district. Councilmember Hueso will be holding office hours every Friday morning from 8-10am at the San Ysidro Community Service Center. These meeting times are part of a larger effort, like his community clean-ups, by the Councilman to restore unity and commitment to District 8. He wants residents to know that his doors are open to their thoughts and concerns. The Councilmember has created these hours based on his feeling “that many residents in South Bay feel disconnected and distant from their local government.” Consequently, he has pledged to “work hard to make them an integral part of the decision-making process.” Please feel free to contact the District 8 Council offices at (619) 236-6688 with any issues or concerns.
